## LIMESTONE DAHLIA GARDENS

ROOT DIVISIONS

MAYSVILLE, KENTUCKY

The pressure of other interests having compelled Mr. Purnell to retire from the Commercial Dahlia Business, it is necessary that we sell our entire root stock in order to make an equitable settlement. To accomplish our purpose by March 1st, if possible, we are offering this stock at a sacrifice. In addition to the list submitted herewith we have from 100 to 125 varieties in small quantities on which we will quote if they are on your want list. We suggest that you write us your wants, if not listed below. On sizeable orders, special quotations will be made on request.

Our stock consists of about 5,000 divisions, field grown and fertilized for the production of quality roots. It has been subjected to State and Federal inspections.

TERMS: Cash with order for immediate shipment. For delayed shipment, 25 per cent cash to secure reservation and balance before shipment is made.

THESE PRICES ARE F. O. B., Maysville, Ky.
